Good morning, Joyce...

Please call me at 808 255-9701 now. As part of my story, cyber criminals have blocked selected calls to my phone. For this reason I'd like to verify our voice communication isn't compromised. Each time I call your phone I get voice mail. I've left voice messages on your phone asking for a call back but haven't received one. I called your number at 8:32 a.m. PST today and received voice mail again. I sent a text message to you at 8:48 a.m. PST requesting your call back.

Please confirm you received this email. Please call me now. Thank you for your valuable time Standing by for your call.

Very Respectfully,

Ricardo
