

On 8/15/2024 I sent the attached email to four Hawaii State Republican Representatives requesting intervention on my behalf. I also included a reporter from Charter News. Although a delivery receipt was generated, none of the individuals received my email. Representative Garcia verified he did not receive my email.

This communication is one of nearly 400 emails, texts, faxes, and phone calls blocked by cyber criminals known and sanctioned by the DOJ/FBI/Politician-led cabal. They block all my messages attempting to keep their corruption hidden and silent.

Cyber criminals blocked receipt.

Aloha, Representatives...

Thank you for your recent intervention in response to the retribution taken against Congresswoman and Mr. Gabbard by the TSA. As a disabled veteran and Republican, I know my fellow servicemember and Party member certainly deserved far better than the attacks against her 1st and 4th Amendment rights. Sadly, my family and I have been victimized by not one, but five (5) corrupt, weaponized federal government agencies and more. Receiving retribution for attempted federal whistle blowing since 2016, I've fought through lies, deceit, acts of omission, ghosting, and denial of my freedom of speech and my right to privacy to stay relevant and not be forced to disappear and remain unknown.

From illegal on and offline surveillance, non-stop cyber attacks, unauthorized cellphone wiretapping, computer intrusions and device destruction, cyber criminals known and sanctioned by members of the DOJ, FBI, and DOD who collude with agents from Homeland Defense, Secret Service, DC, State, and City Democrats and their police continue to conspire to keep me silent and hidden. Over the years I've sought help literally hundreds of times seeking to expose the denial of my right to free speech and privacy. I have always been ignored, refused, or blocked, including preventing me from communicating with attorneys and government watchdog agencies.

Please go to my crime evidence site and links to see irrefutable evidence proving my claims are undeniably true:

I respectfully request your immediate action to investigate, expose, and respond to the illegal surveillance, cyber attacks, and other criminal actions taken against my family and I. I took the liberty to include Mr. Tsai from Charter News in this message as he's previously reported on Congresswoman Gabbard's abuse and I hope to secure his time for interviews. I also included my long-term computer technician's business as a cc for email delivery tracking.

Please contact me today to schedule a meeting. I stand by for your reply. Thank you for your time and interest.

Respectfully,

Ricardo Finney
