Re: Federal Civil Rights Violations By DOJ, FBI, And Many More

Aloha,

I am a disabled veteran and a federal whistleblower hidden in Hawaii by the weaponized and corrupt DOJ, FBI, and Democratic federal, city and state government, all who have colluded to keep me silent. My 1st and 4th federal civil rights have been violated continuously and with purpose. All involved against me colluded to keep me silent and hidden.

Irrefutable, unarguable evidence to support my claims is here:

<https://hiddenfederalwhistleblower.com>
<https://bit.ly/7yearsofdeceit>
<https://3LEINLX>
<https://bit.ly/cyberattacksupdate2>

Criminals known by the DOJ and FBI intercepted USPS Registered Mail and FedEx letters I sent to Senator Jim Jordan at the House Oversight Committee. I listed proof posts and attachments on Twitter phillip_aeros and TruthSocial Ricard0_Finney136.

I'm also on Twitter at FinneyRVA

No one in Hawaii will help me including Democrat politicians at all levels including those in DC/Congressman Case and Sen Schatz. Please investigate and report my story. Please get this corruption to the House Oversight Committee, to someone in President Trump's orbit, and to whistleblower assistance agencies.

Right now I can communicate only through this address. They have blocked my other email addresses and Twitter. I desperately need legal representation and media exposure. Please help me.

God bless you,

Ricardo Finney

Aloha,

I received an email from you however, there is a problem with the transmission. My firewall determined the email poses a security risk and placed it into quarantine.

I noticed you used a standard private gmail address. Please resend your email using your secure business office server which should prevent another quarantine situation.

Thank you for your valuable time and interest in my case. I look forward to receiving your email and a phone call today from you or a member of your staff. Cyber attacks continue. My number is (808) 255-9701 - FaceTime preferred. Standing by. Thanks again@

Dear [Ricardo Finney],

Due to recent events and past experiences, I must exercise caution in our communication channels and the handling of sensitive information. Unfortunately, in a previous similar case, certain external entities interfered with the payment process, making it impossible for us to proceed with our legal obligations.

To ensure the confidentiality and security of your case, I must implement a strategic approach to safeguard our communications and transactions. Therefore, I am unable to provide our legal business address for the receipt of the retainer fee at this time.

Rest assured, I am fully committed to representing your best interests and resolving this matter effectively. However, it is imperative that we proceed with caution to prevent any potential disruptions or interference from external parties.

I understand this may cause inconvenience, but please trust that this decision is in the best interest of protecting your case and ensuring its successful resolution. If you have any concerns or questions, please do not hesitate to reach out to me directly
