

On 8/26/2024 I sent the attached follow on email to radio host Charlie Kirk requesting receipt confirmation of a related email sent on my behalf by Hawaii State Representative Elijah Pierick. Representative Pierick sent his attached email on my behalf attempting to notify radio host Charlie Kirk about my status as a cyber crime victim and federal whistle blower. Neither Representative Pierick or I received a reply from Mr. Kirk. Cyber criminals blocked both emails.

These attempts are the 4th and 5th sent to radio host Kirk in the past two months without replies and are part of nearly 400 emails, texts, faxes, and phone calls blocked by cyber criminals known and sanctioned by the DOJ/FBI/Politician-led cabal.

Communication attempts continue to be blocked from receipt

This email is from Ricardo Finney in Kapolei, Hawaii. Last Monday Hawaii Representative Elijah Pierick sent the attached emails to you on my behalf. You'll note his email explains I'm a cyber attack victim and whistleblower who wants to speak out. The information in my email he forwarded explains how and why I am victimized by the corrupt, weaponized DOJ and FBI.

We did not receive your response. This is concerning because dozens of related emails I've sent have been intercepted and blocked to prevent receipt.

Please reply as soon as possible with confirmation you received the email sent by Representative Pierick and this one. He is cc'd in this email. Thank you for your time.

God Bless,

Ricardo

Hello,

This message is from Ricardo A. Finney, a disabled veteran, Christian, federal whistleblower, and cyber crime victim. My family and I have been brutalized by the weaponized, corrupt DOJ, FBI, and other federal agencies, all colluding with the lowest to the highest levels of Blue State government in Hawaii and D.C. against my family and I. I'm caught in the cover-up of an United States Army officer's abuse, disappearance, and mysterious death, and the illegal on and offline surveillance, phone wiretapping, and nation-state level cyber attacks and deceit I've receive since July 2016.

I urgently need honest law enforcement intervention, legal representation, and media exposure in response to my federal civil rights being repeatedly violated by the cabal. None of the corrupt players want known what has been done to me and 4 other federal whistleblowers on the US Mainland.

Irrefutable, unarguable evidence of what I claim is here:

<https://bit.ly/7yearsofdeceit>
<https://bit.ly/cyberattacksupdate2>
<https://bit.ly/3LEINLX>
In X username: phillip_aeros (please read the files)

I attached 6 screen shots that provide additional evidence to support my claim:

- #1: Evidence website
- #2: Attorney Alina Habba Impersonator and extortionist
- #3: Radio Host Dennis Prager Impersonator
- #4: Blocked email to House Judiciary Committee
- #5: Memo For Record detailing cyber attacks and more
- #6: One of my 28 FBI IC3 cyber crime reports

For nearly 8 years the FBI refused to investigate even 1 of the 28 FBI IC3 cyber crime cases I filed at field offices in Hawaii and California, and would not meet or even reply to my letters and online correspondence. My cases were filed in response to nation-state level cyber attacks I received from sources known by the FBI and others while I kept recovering through expensive repairs (that continue). From 2016 through 2022 the

Honolulu Police Department (HPD) accepted 36 cyber crime reports I filed, then faked investigations or did nothing at all, then hid their intentional negligence through trickery, acts of omission, and deceit. Colluding with the FBI, Secret Service, and Homeland Defense cybercrime agents, HPD permanently closed all my cases twice determining me to be "uncooperative".

In tandem with their cyber attacks, the evil cabal destroyed my small business, have cost me hundreds of thousands of dollars in computer repair and equipment replacement purchases, cyber security fees, and other losses related to their 24/7 cyber attacks.

Cyber criminals known by the conspirators intercepted and stole crime evidence I sent three times via USPS Registered Mail and FedEx to the House Oversight Committee and the Republican National Committee. They intercepted and stole two crime evidence parcels I sent via UPS and USPS Registered Mail to the Epoch Times News service in California and New York service. They block emails and fax transmissions I attempt to send to whistleblower support agencies. My phones are wiretapped and they block selected calls, texts, and faxes I attempt to send. They jam hotspots I try to use or hack and disable computers and tablets I connect.

Cyber criminals known by the DOJ, FBI, and others impersonated the identities of Attorney Alina Habba and radio host Dennis Prager in an cruel attempt to extort money from me. It is useless to report the crimes to anyone in authority here as they will do nothing to prevent self-incrimination.

No local, state, or federal/D.C. Democrat politician, agent, or officer will intervene. Because of Democrat politics here no attorney here will help me. Cyber attacks block me from contacting lawyer resources outside Hawaii. Cyber criminals sanctioned and known by the DOJ, FBI, and those complicit attack my computer devices and monitor and control my cellphones constantly. They block my emails trying to keep me silent. They are truly demonic.

They would not be fighting so hard to silence me if what I say were not true. No one expected for me to still be relevant today.

Please help me. Get my federal crime evidence to Senator Jim Jordan at the House Oversight Committee investigating weaponization of the DOJ and FBI, Co-Chair Lara Trump at the Republican National Committee, Shawn Hannity at Fox, and to attorneys at the American Center for Law and Justice or the Institute For Justice to begin. I'm praying for high-level intervention and viral media exposure to expose the corruption. I urgently need honest law enforcement to stop the cyber attacks and help me get back online securely. I need a federal civil rights attorney.

Otherwise at this time I can only communicate in TruthSocial username Ricard0_Finney136. Please direct message me. They have blocked all my other communication off-island for now. I am also on X username phillip_aeros, however I receive indications my connection is being redirected and blocked. Regardless, in addition to my evidence web sites, please read my attachments in X and TruthSocial for proof my claims are true.

Please reply to my email address joshua1nine@lionofjudah808.live If your email bounces it's because of their cyber attack. If you call my cellphone at (808) 255-9701 and get voice mail or a busy signal but don't get me directly they are blocking it. Both acts violate my 1st Amendment freedom of speech rights.

Please investigate. Please give my circumstances maximum media exposure. I am available anytime day or night for an interview. Thank you for your valuable time. God bless@
